

Form: EMA/WDR 10
PLASTIC BOTTLES RETURN
(Reg. 31)

[Note : A facility that imports or manufactures plastic bottles must send returns to the Department of Environment of all import, manufacture, distribution, return and disposal of bottles.

Returns must be in writing and sent every 6 months from the issue of the permit.

Returns must relate to each site or premises occupied by the facility.

Failure to send a return by the due date is an offence under section 44 of the Act and can lead to suspension of the permit.]
