

EXPRESSION OF INTEREST-2 [EOI]

MINISTRY OF WATERWAYS & ENVIRONMENT

EMERGENCY CREEK DESILTING WORKS FOR FLOOD MITIGATION PURPOSE

The Ministry of Waterways and Environment in its stand to address the growing threat of flooding of the existing waterways in Fiji and its devastating impacts have embarked on the new activity of desilting of major creeks that are heavily silted. The EOI expressed by the competent companies will work in collaboration with the Ministry to implement the desilting works at **'No cost to Government'** basis and on the understanding that the company will take away the desilted materials.

The following creeks have been identified in the three respective divisions, Central, Western and Northern Division for emergency desilting works:
