

EXPRESSION OF INTEREST-4 [EOI]

MINISTRY OF WATERWAYS & ENVIRONMENT

EMERGENCY DESILTING WORKS FOR FLOOD MITIGATION PURPOSE FOR FLOOD RETENTION DAMS IN NADI WATERSHED CATCHMENT

The Ministry of Waterways and Environment in its stand to address the growing threat of flooding of the existing waterways in Fiji and its devastating impacts, have embarked on the new activity of desilting of flood retention dams in Nadi Watershed Catchment that are heavily silted. The EOI expressed by the competent companies will work in collaboration with the Ministry to implement the desilting works at 'No cost to Government' basis and on the understanding that the company will take away the desilted materials. However the collaboration for royalty payments to landowners and waiver of fishing rights from Ministry of Lands shall be acquired by the successful contractor.

The following flood retention dams has been identified for emergency desilting works:

No.	Location	Retention Dam	Estimated Length (km)
1	Nadi	Nawaka Dam 1	0.6
2		Nawaka Dam 2	0.5
3		Mosi Dam 1	0.5
4		Mosi Dam 2	0.5

All desilting works shall be confined within the distance mentioned in the table and shall be carried out only to the upstream of the dam.

For any further information or clarification and inspection of the dams, please contact Mr. Shonal Singh, STO (West) on mobile number 9904314 or email at shonalsingh007@gmail.com.

The Ministry invites written Expression of Interest [EOI] from interested civil contractors for the above listed emergency desilting works providing the company background/profile, company registration certificate and list of machines/trucks.

The EOI documents to be hand delivered to **Western Division Office** – Ground floor, Taviaqia House, Lautoka.

EOIs closes at 4pm, Wednesday 30th December, 2020.

Mr. Joshua Wycliffe
Permanent Secretary for Waterways & Environment
