

EXPRESSION OF INTEREST-No.5 [EOI]

MINISTRY OF WATERWAYS & ENVIRONMENT

EMERGENCY DESILTING WORKS FOR FLOOD MITIGATION PURPOSE FOR NAVUA & BA RIVERS

The Ministry of Waterways and Environment in its effort to address the growing threat of flooding occurring from the existing waterways in Fiji and its devastating impacts on the surrounding communities is considering de-silting of portions (of) the Navua and Ba rivers which are heavily silted. The EOI expressed by the competent company will address a collaborative partnership with the Ministry and implement the desilting works at '**No cost to Government**' basis and on the understanding that the company may take away the desilted materials (subject to all government requirements being met). However, the collaboration for Royalty Payment and Waiver of Fishing Rights from Ministry of Lands shall be acquired by the successful Contractor at his/her own costs.

PROVINCE	EMERGENCY CREEK FOR DESILTING WORKS	ESTIMATED LENGTH (km)
1. Seruva/Namosi	1. Navua River	TBD
2. Ba	2. Ba River	TBD

For any further information or clarification and inspection of project site, please contact Mr. Alvin on mobile number 9981969 or email at Alvin P.V. Reddy alvin.reddy2@govnet.gov.fj

The Ministry invites written Expression of Interest [EOI's] from interested civil contractors for the above listed emergency creeks desilting works providing the company background/profile, valid company registration certificate, list of machines/trucks and availability of stock pile areas.

The EOI documents to be hand delivered at the **Ministry of Waterways HQ** – Level 3, Bali Towers, Toorak, Suva.

EOI's closes at 4pm, Friday 19th March, 2021.

.....
Mr. Joshua Wycliffe
Permanent Secretary for Waterways & Environment
